

Sarah M. Wales Scholarship

Sarah M. Wales was a teacher of elementary students for over 40 years. When she died, funds from her estate were entrusted to St. James Episcopal Church, Woonsocket, to be distributed to qualified applicants who wished to pursue higher education as teachers.

The world of education has changed over the past fifty years: teaching has broadened in many forms not confined within the four walls of a school classroom. The Scholarship Committee follows the initial intent of giving awards to students studying to be teachers, by acknowledging that there are teaching components in all types of careers. Most occupations require that the employee teaches or instructs others at times. The teaching may be one-on-one, in groups, in person, virtual, etc.

The amount of the scholarships may vary depending on the number of applicants receiving the awards. In recent years the awards have started at \$ 2,500.00. The college receives the check to be used toward college-related expenses.

The scholarship application will be available on the St. James Episcopal Church website. The application deadline is June 1, 2024. The scholarship is open to any qualified applicant; special consideration is given to those with an association with St. James Episcopal Church or St. Mark Evangelical Lutheran Church, (e.g. a relative of a member or former parishioner).

All information will remain confidential. The Sarah M. Wales Scholarship Committee does not discriminate on the basis of age, gender, race, color, national or ethnic origin, or religious beliefs.

New Applicants must include the following with their application:

1. Unofficial transcript of high school grades.
2. Two letters of reference from high school (principal, guidance counselor, teacher, etc.)

Applicants who have already received a scholarship may apply again the following year. The application must include:

1. Unofficial transcript of the previous year's grades.
2. The applicant's assessment of their academic and personal growth during the year.
